

Terms & Conditions

- 1) While there is Free Mobile Service. Calls for non-repairable types of damage will result in the charges listed below.
- 2) Help Save A Tree - You only need to print page 2.
- 3) DO NOT Wash your vehicle or windshield before we arrive.

In order to help keep our prices down and due to a high percentage of calls that result in "no repair calls" the following charges apply.

Large Damage - There is a \$20 service charge for service calls where the windshield damage exceeds a 1" inch in diameter size, (larger than what can be covered with a quarter) which we view as non-repairable. See below for details.

Pits or Impact Points - are a type of damage that does not need to be repaired since it won't crack out. See examples below and "notice no cracks". We charge \$20 for a service call regarding these. You can also visit www.WindshieldPit.com for even more details concerning pits.

Parking Garage and Lot Charges - There is a parking surcharge for any additional cost we acquire while performing your windshield repair due to parking fees.

Completed Form - You must sign and date the authorization form. Further the form must be presented upon our arrival and before work is started.

**** We reserve the right to reject the discount if the authorization form isn't ready when we arrive. ****

Authorization & Coupon

Glass Aid supports the Oklahoma Chapter of The National MS Society and is not affiliated with the MS Society.

Name:		
Address		
City	State	Zip
Year	Make	Model
License/Tag	Number Of Chips	** Vehicle Must Be Open For Repair Work **

I hereby authorize Glass Aid to perform the windshield repair(s) on the above mentioned vehicle based on the following prices, **use this form to save money over the regular price of \$44.99 for the first chip and \$10 for each additional chip.**

I understand the "Terms & Conditions" of this authorization (page 1). I also understand that Glass Aid, their assigns, or suppliers, have not removed and/or replaced my windshield with a new glass. Rather they have salvaged the glass by repairing a badly distorted area. I in no way expect or hold Glass Aid, their assigns, or suppliers, responsible for absolute clarity as with a new windshield and that there is no guarantee in regards to the appearance of the repairs. I hereby waive all rights to future litigation.

I agree to hold harmless, Glass Aid, if the windshield should crack out while attempting this repair, and understand that there will be no charge for the service if this happens.

I understand that payment is due upon completion unless previous arrangements have been made.

When paying with charge or debit cards by signing this authorization you also authorize payment.

MS is the #1 disabling disease of young adults. Would you like to donate to the OK Chapter of the National MS Society ?
